

OUR PROMISE

We are sure you will enjoy your new stove. During the first six months that you own it, test its performance and experience the comfortable warmth of soapstone. If you are not thoroughly delighted with the beauty, quality, and energy efficiency of your stove, you may return it for a full refund, including the cost of return freight. This is the best consumer protection plan in the industry.

EPA APPROVAL

This Manual describes the installation and operation of:

Model #205 Catalytic Fireview Soapstone Stove

Model 205 Catalytic Fireview Soapstone Stove meets all of the U.S. Environmental Protection Agency's emission limits for wood heaters sold after July 1, 1992. Under specific test conditions, this stove has been shown to deliver heat at rates ranging from 13,400 to 40,500 Btu/hr. under EPA laboratory test conditions. (The EPA laboratory testing is done with Douglas Fir as fuel, so BTU ratings are less than normal operation with seasoned hardwood.)

Model 205 Catalytic Fireview Soapstone Stove contains a catalytic combustor, which needs periodic inspection and replacement for proper operation. It is against the law to operate this wood stove in a manner inconsistent with the operating instructions in this manual or if the catalytic element is deactivated or removed.

LISTING TO UL #1482

Model 205 Catalytic Fireview Soapstone Stove has been tested to UL Standard #1482 for safety, and is listed by Omni Test Laboratories, Inc. of Beaverton, Oregon. UL Standard #1482 is the standard for testing solid fuel heating appliances which is universally recognized by all national building regulatory agencies (SBCC, BOCA, ICBO) and individual states.

LIMITED WARRANTY

Your Woodstock Soapstone Stove was carefully inspected before shipment. We will replace any part which is defective in material or workmanship, free from cost, for a period of one year from the date of purchase. If a defect is discovered, please contact Woodstock Soapstone Company, Inc. for instructions regarding return or replacement of the defective part.
